Facts. Corporations are corruption they falsify how much money they have and putting people on the jobs that are unprofessional and unqualified the license board is corruption because they keep on giving

Places license when they are dumps and should be condemned the restoratory motor vehicles is corruption because they give people a license who do not know how to drive and who should not drive

The courts and police departments are corruption the courts violate the due process law and police

Departments they abuse there power and do not do there job . judges are corruption because they

Abuse there power colleges schools unverities they are corruption on the account that the teachers

And perfessors do not know to teach proply or giving people degrees that should not have one

And did not earn one the post office and the social security adminstion and department social service

Are corruption the post office sends mail the hospitals when that is illegle people tamper with mail

Social security adminstion giving people money who should not get any thing and they places ok

To beccme payees when that is wrong and department of social service they do not look in to homes

Who they place people with boston childerns service is corruption because THE SAME REASONS AND

Product impact is corruption because the same reasons places should be shut down doctors nurcers
